OUR DIVISIONS

Eris has a long term commitment to a “Fit India”

In the context of a changing world -- we are all facing greater health challenges. The cost of healthcare has constantly been going up. Eris believes that the Rights to Health is a FUNDAMENTAL RIGHT and hence everybody should have access to medicines at an affordable cost. In order to make this a reality- Eris Lifesciences has launched a new venture – Eris Healthcare Pvt. Ltd. (EHPL).

The Products which are being launched are in 15+ categories covering Acute, Chronic ,OTC, Medical Devices products etc.

Well known Eris brands like Clistin ; Decal; Erinac ; Feris ; Healfast Nikomox; Otogesic etc are also part of EHPL offerings.

Eris is known for its Patient Centricity and has done a lot of innovations in the Rx business by putting the Customer First. EHPL also follows the same philosophy which is why despite being a new player in a very cost sensitive market, our packaging is uniquely and thoughtfully designed to be very consumer friendly.

Unique Panel which ensures that Brand Name; Mfg date; Expiry Date; MRP etc are all visible even after the medicine is consumed
